

Looking for a little healthy competition at the office?

Need to enhance employee camaraderie?

Want to take on your biggest competitor in your industry?

You and your colleagues are cordially invited to participate in Cleveland's most inclusive sporting event of the year — the 33rd Rite Aid Cleveland Marathon, Half Marathon & 10K on Sunday, May 16, 2010.

The 10K Corporate Team Challenge provides a little healthy competition for Northeast Ohio companies. Each team consists of five employees who will each run or walk the 6.2 mile (10K) race. Runners of all professions and ability levels can participate — and unlike relay events — can run together on the course if they choose.

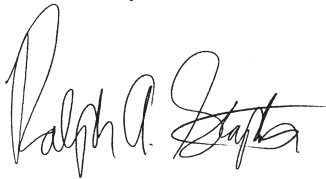

There are male, female and mixed team categories available. And, for the first time — we are also staging Industry-Specific Challenges in which companies can compete against one another within their industry.

2010 will feature the follow Industry Challenges:

- Law Firms
- Accounting Firms
- PR/Advertising Agencies
- Fire and Police Departments
- Banks and Financial Institutions
- City Departments
- Media Outlets

If your company has offices in multiple cities, consider having them compete against one another. Or, challenge your local competition to an annual race. You can even have departments within your organization race one another. The possibilities are endless — and the race is flat, fast and fantastic! We hope you'll join us along with 12,000 other runners for the "Cleveland Experience" this May.

Sincerely,

Ralph Staph
Race Director
