Some of the terms used within this Booklet-certificate are capitalized and have special meanings. Please refer to the definitions at the end of this Booklet-certificate when reading about Your benefits.

The Policyholder: UNIVERSITY HOSPITALS HEALTH SYSTEM

The Policy Number: GL-044252

Policy Effective Date: July 1, 1998

THE BENEFITS DESCRIBED HEREIN ARE THOSE IN EFFECT AS OF SEPTEMBER 1, 2009.

All persons who are insured for employee coverage will be eligible for coverage for Dependents.

When will You become eligible? (Eligibility Waiting Period)

If You are working for the Employer prior to the Policy Effective Date and are covered under the Prior Plan, You are eligible for coverage on the date on which You complete a waiting period of 90 days of continuous active service.

If You start working for the Employer after the Policy Effective Date, You are eligible for coverage on the date on which You complete a waiting period of 90 days of continuous active service.

The waiting period will be reduced by the period of time You were an Active Full-time or Part-time Employee with the Employer under the Prior Plan or by a period of time, granted as seniority, within the University Hospitals system.

When will You become eligible for Dependent Coverage?

You will become eligible for Dependent coverage on the later of:

1. the date You become eligible for employee coverage; or
2. the date You acquire Your first Dependent.

What is the Guaranteed Issue Amount?

This is the Amount of Insurance for which We do not require Evidence of Good Health. The Guaranteed Issue Amount is shown in the Schedule of Insurance.

What is Evidence of Good Health?

Evidence of Good Health is information about a person's health from which We can determine if coverage or increases in coverage will be effective. Information may include questionnaires, physical exams, or written documentation as required by Us.

Inquiries as to the status of Your submission of Evidence of Good Health should be addressed to Your Employer and/or Benefit Administrator. We, Your Employer and/or Benefit Administrator will notify You of approvals. We will notify You, in writing, of any disapprovals.

When will Evidence of Good Health be required?

Evidence of Good Health is required if:

1. You enroll for coverage for Yourself more than 30 days after the date You are first eligible to do so; or
2. You elect no coverage for Yourself when eligible to do so and later opt for coverage.

Evidence of Good Health must be provided at Your own expense.

If Evidence of Good Health is not approved in the situation(s) described above, no coverage, including the Guaranteed Issue Amount, will become effective.

Evidence of Good Health is also required if You elect to increase coverage for Yourself by more than one option or increment level, provided You do not exceed the Guarantee Issue Amount.

Evidence of Good Health is also required the first time Your Amount of Life Insurance would exceed the Guaranteed Issue Amount for any coverage.

If Your Amount of Life Insurance is based on a multiple of Earnings, You must provide Evidence of Insurability if Your Earnings increase is such that Your Amount of Life Insurance is greater than the Guaranteed Issue Amount.

If Evidence of Good Health is not approved in this situation, You are eligible for the amount You requested for which Evidence of Good Health was not required.

However, if:

1. You do not submit Evidence of Good Health; or
2. Your Evidence of Good Health is not approved,

Your Amount of Life Insurance:

1. will increase, but only up to the amount for which You were eligible without having to provide Evidence of Good Health; and
2. will not increase again, or beyond that amount, until Your Evidence of Good Health is approved.

Additionally, once approved, Evidence of Good Health will be required again only if Your Amount of Life Insurance is greater than the Guarantee Issue Amount and You increase Your coverage election.

**AMOUNT OF LIFE INSURANCE
Employee Only**

What Life benefits are available to You?

Basic Amount of Life Insurance:

- a) a Guaranteed Issue Amount equal to 2 times Your annual rate of basic Earnings, subject to a combined Basic and Supplemental Life maximum of \$800,000 without Evidence of Good Health; or

rounded to the next higher multiple of \$1,000, if not already such a multiple.

Your Amount of Life Insurance will be reduced by any life benefit:

In the event the combined amount of such coverages would exceed \$2,000,000, any necessary reductions shall come first from the Supplemental Life Insurance and then, if necessary, from the Basic Life Insurance.

If You convert, does it affect the Amount of Life Insurance benefit payable?

The Amount of Life Insurance under the Policy will be reduced by the amount of the individual life insurance issued in accordance with the Conversion Privilege for reasons other than reductions in coverage.

REDUCED AMOUNTS OF INSURANCE

What reductions in Your coverage will occur due to Your age?

Your Amount of Life Insurance will decrease by 35% on the January 1st which occurs on or next follows the date You attain age 70 and by 50% when You attain age 75. The reduction will apply to the Amount of Life Insurance in force immediately prior to the first reduction made..

Additionally, if:

- 1. You become insured under the Policy; or
- 2. Your coverage increases,

on or after the date You attain age 70, We reduce the amount of coverage for which You would otherwise be eligible in the same manner.

ELIGIBILITY AND ENROLLMENT

Must You contribute toward the cost of coverage?

With respect to Basic Life Insurance coverage, You do not contribute toward the cost.

With respect to Supplemental Life Insurance and Dependent Life Insurance coverage, You must contribute toward the cost.

How do You enroll?

Eligible Persons have the option to enroll electronically. Your Employer will provide instructions.

With regard to new hires, You must enroll within 30 days of the date You have completed the Employer's orientation program.

If You do not enroll within 30 days after becoming eligible, the following limitations will apply to a later enrollment:

1. You must submit Evidence of Good Health; and
2. You may not enroll until:
 - a) an Annual Enrollment Period; or
 - b) You have a Change in Family Status.

Any such enrollment must be made during the Annual Enrollment Period or within 30 days of the Change in Family Status.

The Annual Enrollment Period is determined by Your Employer on a yearly basis.

If You are not required to contribute toward the cost of coverage, You are not required to request coverage. Enrollment will be automatic. However, You will be required to complete a beneficiary election form.

What constitutes a Change in Family Status?

A Change in Family Status means:

1. Your marriage, or the birth or adoption of a child, or becoming the legal guardian of a child;
2. the death of or divorce from Your spouse;
3. the death of or emancipation of a child;
4. spouse's loss of employment which results in a loss of group insurance; or
5. change in classification from Part-time to Full-time or from Full-time to Part-time.

When does coverage start?

Your coverage will start on the latest of the dates determined below:

1. the date You become eligible, if You enroll or have enrolled by then;
2. the date on which You enroll, if You do so within 30 days after the date You are eligible;
3. the date We approve Evidence of Good Health which We may have required; or
4. the January 1st of the next calendar year following the Annual Enrollment Period if You enroll during an Annual Enrollment Period.

All of the above effective dates are subject to the Deferred Effective Date provision.

What is the Deferred Effective Date provision for employees?

If You are absent from work due to a physical or mental condition on the date Your insurance, an increase in coverage or a new benefit added to the Policy would otherwise have become effective, the effective date of Your insurance, any increase in insurance or the additional benefit will be deferred until the date You return to work as an Active Full-time or Part-time Employee.

Are there exceptions to the Deferred Effective Date provision?

If You were actively at work or on an approved leave of absence in conformity with the Family or Medical Leave Act of 1993, and insured under the Prior Plan on the day before the Policy Effective Date and You would be eligible for coverage on the Policy Effective Date except that You are not able to meet the requirements of the Deferred Effective Date provision, then:

1. the Deferred Effective Date provision will not apply to the original effective date of coverage; and
2. the coverage amount shown in the Schedule of Insurance will not apply to You.

Instead, You will be considered to be insured and Your coverage amount will be the lesser of:

1. the Amount of Life Insurance under the Prior Plan; or
2. the Amount of Life Insurance shown in the Schedule of Insurance,

reduced by:

1. any coverage amount in force or otherwise payable due to any disability benefit extension under the Prior Plan; or
2. any coverage amount that would have been in force due to any disability benefit extension under the Prior Plan had timely election for the disability provision been made.

You will remain insured under this provision until the first to occur of:

1. the date You return to work as an Active Full-time or Part-time Employee;
2. the date Your insurance terminates for a reason stated under the Termination provision;
3. the last day of a period of 12 consecutive months which begins on the Policy Effective Date; or
4. the last day You would have been covered under the Prior Plan, had the Prior Plan not terminated.

When does coverage for Your Dependent(s) start?

You are required to enroll for contributory Dependent coverage. To do so You have to complete and sign a group insurance enrollment form acceptable to Us and deliver it to the Employer.

Your spouse will become insured for coverage for which We do not require Evidence of Good Health on the first to occur of:

1. the date You are eligible for Dependent Coverage, if You enroll or have enrolled for spouse coverage by then; or
2. the date You enroll for Dependent Coverage, if You do so within 30 days after the date You are eligible.

Each child will become insured for coverage for which We do not require Evidence of Good Health on the first to occur of:

1. the date You are eligible for Dependent Coverage, if You enroll or have enrolled for child coverage by then; or
2. the date You enroll for coverage for Your child, if You do so within 30 days after the date You acquire the child.

In no event will Dependent Coverage become effective before the date You become insured.

All effective dates of coverage are subject to the Deferred Effective Date provision for Dependents.

What is the Deferred Effective Date provision for Dependents?

If a Dependent, other than a newborn, is confined at home, in a hospital or elsewhere because of a physical or mental condition on the date insurance, an increase in coverage or a new benefit added to the Policy would otherwise have become effective, the effective date of insurance, any increase or additional benefit will be deferred until the Dependent is discharged from the hospital or no longer confined and has engaged in substantially all the normal activities of a healthy person of the same age for a period of at least 15 days in a row.

"Confined elsewhere" means the individual is unable to perform, unaided, the normal functions of daily living, or leave home or other place of residence without assistance.

Are there exceptions to the Deferred Effective Date provision?

If You were insured with respect to a Dependent under the Prior Plan as of the day before the Policy Effective Date, the Deferred Effective Date provision will not apply to the original effective date of coverage for any Dependent.

Instead, Your Dependent will be considered to be insured and the Amount of Insurance will be the lesser of:

1. the Amount of Insurance in force on the life of the Dependent under the Prior Plan; or
2. the Amount of Insurance shown in the Schedule of Insurance.

When are changes effective?

The provisions, terms and conditions of the Schedule of Insurance or this Booklet-certificate may be modified, amended or changed at any time; consent from any covered individual is not required.

If there is any type of change in Your class, Earnings, the Schedule of Insurance or the Booklet-certificate which:

1. decreases an amount of coverage or deletes, limits or restricts the availability of a benefit or provision, then that decrease, deletion, limitation or restriction will be effective on the date the change in class, Earnings, the Schedule of Insurance or the Booklet-certificate is effective;
2. increases an amount of coverage or adds, improves or increases availability of a benefit or provision, then that increase, addition or improvement will be effective on the date the change in class, Earnings, the Schedule of Insurance or the Booklet-certificate is effective, subject to application of the Deferred Effective Date provision and Our approval where Evidence of Good Health is required.

BENEFITS

Life Insurance Benefit

To whom and how are benefits paid?

A completed claim form, a certified copy of the death certificate and Your enrollment form must be sent to the Employer or Us. When the required claim papers are received and approved by Us, the Amount of Life Insurance will be paid.

Benefits payable for a Dependent's death are payable to You if living, otherwise, We may, at Our option, pay the benefit to Your surviving spouse or to the executors or administrators of Your estate.

Your death benefit will be paid in a lump sum to the beneficiary(ies) designated by You in writing and on file with the Employer.

Unless You have requested something different, payment will be made as follows:

1. If more than one beneficiary is named, each will be paid an equal share.
2. If any named beneficiary dies before You, His share will be divided equally among the named surviving beneficiaries.

If no beneficiary is named, or if no named beneficiary survives You, We may, at Our option, pay:

1. up to \$500 of Your life insurance to any party that We deem is entitled because of their payment of burial expenses. We will be released from further liability for any amount so paid; and/or
2. the executors or administrators of Your estate; or
3. Your surviving relatives in the following order:
 - a) all to Your surviving spouse; or
 - b) if Your spouse does not survive You, in equal shares to Your surviving children; or
 - c) if no child survives You, in equal shares to Your surviving parents.

If a minor does not have a legal guardian, We may, until such a guardian is appointed, pay the person We deem to be caring for and supporting him. Such payment will be in monthly installments of not more than \$200.

If a death benefit payable meets Our guidelines, then the benefit is payable into a checking account. In the case of a Dependent death benefit, You own the checking account. In the case of Your death benefit, Your beneficiary owns the checking account. A lump sum payment may be elected by writing a check for the full amount in the checking account.

What benefit is payable if Your death results from suicide?

No Supplemental Life benefit will be payable if death results from suicide, whether sane or insane, within 2 years of the effective date of Your coverage. Additionally, if death resulting from suicide, whether sane or insane, occurs within 2 years of the effective date of an increase in Your coverage, the death benefit payable is limited to the amount of coverage in force prior to the increase. The 2 year period includes the time coverage was in force under a Prior Plan.

Accelerated Death Benefit

This benefit is not available for Dependents.

What is the benefit?

If You are diagnosed as being Terminally Ill and proof of such diagnosis is provided by an attending physician licensed to practice in the United States, and You are:

1. less than age 60; and
2. insured for at least \$10,000,

then You may request that a portion of Your Amount of Life Insurance be paid to You prior to death.

The request cannot exceed 80% of the in force Amount of Life Insurance, and is subject to a minimum of \$3,000 and a maximum of \$500,000. You may exercise this option only once per person.

For example, if You have an Amount of Life Insurance equal to \$20,000 and You are Terminally Ill, You can request any portion of the life insurance between \$3,000 to \$16,000 to be paid to You now instead of to Your beneficiary at Your death. However, if You decide to request only \$3,000 now, You cannot request the additional \$13,000 in the future.

What does Terminal Illness/Terminally Ill mean?

Terminally Ill or Terminal Illness means that an individual has a life expectancy of 12 months or less.

RECEIPT OF ANY BENEFITS IN ACCORDANCE WITH THIS PROVISION WILL REDUCE LIFE INSURANCE BENEFITS PAYABLE UPON DEATH.

What if an individual is no longer Terminally Ill?

If diagnosed as no longer Terminally Ill, coverage may or may not remain in force. Coverage which remains in force will be reduced by any amount of Accelerated Death Benefits received and premium is due for this reduced amount. If coverage does not remain in force, then the reduced amount of coverage may be converted.

What limitations apply to this benefit?

The Accelerated Death Benefit provision will be subject to all applicable terms and conditions of the Policy.

No Accelerated Death Benefit will be paid if You are required by law to accelerate benefits to meet the claims of creditors, or if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement.

What if You made an assignment under this plan?

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to pay benefits to You under this provision, We must receive a release from the individual to whom the assignment was made before any benefits are payable.

**TERMINATION
Employee Coverage**

When does Your coverage terminate?

Unless continued in accordance with the Exceptions to Termination section, Your insurance will terminate on the first to occur of:

1. the date the Policy terminates;
2. the last day of the period for which You made any required premium contribution, if You fail to make any further required contribution;
3. the date You are no longer in a class eligible for coverage;
4. the date Your Employer terminates Your employment; or
5. the date You are absent from work as an Active Full-time or Part-time Employee.

EXCEPTIONS TO TERMINATION

Under what conditions can Your insurance be continued under the continuation provisions?

If You are absent from work as an Active Full-time or Part-time Employee, Your insurance may be continued up to the maximum period of time stated. In each instance, such continuation shall be at the Employer's option, but must be according to a plan which applies to all employees in the same way. Continued coverage:

1. is subject to any reductions in the Policy;
2. is subject to payment of premium by the Employer; and
3. terminates when the Policy terminates.

If You are on a documented leave of absence, other than Family or Medical Leave, all of Your coverages (including Dependent Life coverage) may be continued for 30 consecutive day(s) following the month in which the leave of absence commenced.

If You are granted a leave of absence according to the Family and Medical Leave Act of 1993, all of Your coverages (including Dependent Life coverage) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by state law, following the date Your insurance would have terminated, subject to the following:

1. the leave authorization must be in writing;
2. the required premium for You must be paid;
3. Your benefit level will be that which was in effect on the day before said leave started, subject to any reductions included in the Policy;
4. the amount of Earnings upon which Your benefit may be based, will be that which was in effect on the day before said leave started; and
5. continued coverage will cease immediately if one of the following events should occur:
 - a) the leave terminates prior to the agreed upon date;
 - b) the Policy terminates;
 - c) You or the Policyholder fail to pay premium when due; or
 - d) the Policy no longer insures Your class.

In all other respects, the terms of Your insurance remain unchanged.

If You are absent from work due to sickness or injury, all of Your coverages (including Dependent Life coverage) may be continued until the last day of a period of 6 month(s) which begins on the date You were first absent from work as an Active Full-time or Part-time Employee. If You feel that Your condition may continue for an extended period of time, You should request that Your Employer file a waiver of premium claim.

What is Waiver of Premium?

Waiver of premium is a provision which allows for continued employee life insurance, without payment of premium, while You are Disabled.

To what coverages does the Waiver of Premium apply?

These provisions apply only to Your Basic and Supplemental Life Insurance.

Waiver of Premium does not apply to any Dependent Life Insurance.

What conditions must be satisfied before You qualify for Waiver of Premium?

1. You must be less than age 60, insured and Disabled; and
2. acceptable proof of Your condition must be furnished to Us within one year of Your last day of work as an Active Full-time or Part-time Employee.

What does Disabled mean?

Disabled means that You have a condition that prevents You from doing any work for which You are or could become qualified by education, training or experience and it is expected that this condition will last for at least six consecutive months from Your last day of work as an Active Full-time or Part-time ; or You have been diagnosed with a life expectancy of 12 months or less.

When will We waive premium?

We will waive premium after proof that You are Disabled is provided by an attending physician licensed to practice in the United States and We approve the proof. You will be notified by Us of the date We will begin to waive premium.

Continued coverage will be subject to any age reductions provided by any part of the Policy.

What if You die before You qualify for Waiver of Premium?

If:

1. You should die within one year of Your last day of work as an Active Full-time or Part-time Employee but prior to qualifying for waiver of premium; and
2. You were Disabled,

We will pay the Amount of Life Insurance which is in force for You.

Can We have You examined for proof that You continue to be Disabled?

During the first two years following the date You qualify as Disabled, We may have You examined at reasonable intervals. Thereafter, We will only require an annual examination to confirm that You continue to be Disabled. If You fail to submit any required proof or refuse to be examined as required by Us, then Your coverage will terminate.

What if You are no longer Disabled?

If, for any reason, You are no longer Disabled, Your premium will no longer be waived. On that date, You may or may not return to work.

If You return to work in an Eligible Class, then all of Your coverages will be reinstated subject to the terms of the Policy in effect on the reinstatement date.

If You do not return to work within an Eligible Class, and You are not eligible for any other group life insurance, then You are entitled to the Conversion Privilege. You may convert the Amount of Life Insurance that is in force for You on the date it is determined that You are no longer Disabled.

How long will premiums be waived?

Your premium will be waived and Your coverage will be continued until You attain age 65.

On the date waiver of premium terminates, if You do not return to work, You will be entitled to convert Your coverage. You may convert no more than Your Amount of Life Insurance that is in force on the date waiver of premium terminates.

What if the Policy terminates before You qualify for waiver of premium?

If the Policy terminates before You qualify for waiver of premium, You may be eligible to convert. Additionally, You may later be approved for waiver of premium.

What if the Policy terminates after You qualify for waiver of premium?

Termination of the Policy will not affect Your coverage under the terms of this provision.

DEPENDENT COVERAGE**When does Dependent Coverage terminate?**

Unless continued in accordance with the Exception to Termination section, a covered Dependent's insurance will terminate on the earliest of:

1. the date Your coverage terminates;
2. the last day of the period for which any required premium contribution is made, if You fail to make any further required contribution;
3. the date You are no longer eligible for Dependent Coverage;
4. the date the Dependent no longer meets the definition of Dependent; or
5. the date We or the Employer terminate Dependent Coverage.

EXCEPTIONS TO TERMINATION

Under what conditions can Dependent child insurance be continued?

If a covered Dependent child reaches the age at which He would otherwise cease to be a Dependent as defined, and the Dependent child is:

1. disabled and incapable of earning His own living; and
2. unmarried and primarily dependent on You for support and maintenance,

then Dependent coverage will not terminate solely due to age if You submit satisfactory proof of the Dependent child's disability to Us within 31 days of the date the Dependent child reaches such age.

Coverage will continue while the Policy remains in force as long as:

1. the child continues to meet the required conditions; and
2. any required premium is paid.

We will have the right to require satisfactory proof that the child continues to meet the required conditions as often as necessary during the first two years of continuation, but not more than once a year after that.

CONVERSION PRIVILEGE

When can an individual convert?

If insurance, or any portion thereof, terminates, then any individual covered under the Policy may convert his life insurance to a conversion policy without providing Evidence of Good Health.

If the qualifying event is policy termination or termination of coverage for a class then the individual must have been insured for at least 5 years under the Policy in order to be eligible for this conversion privilege.

What is the conversion policy?

The conversion policy will:

1. be on one of the life insurance policy forms, except term insurance, then customarily issued by Us for conversion purposes;
2. contain no disability, supplementary or AD&D benefits; and
3. be effective on the 32nd day after group life insurance terminates.

How much can be converted?

If the qualifying event is policy termination or termination of coverage for a class, then the amount which may be converted is limited to the lesser of:

1. the amount of group coverage in force prior to the qualifying event, reduced by the amount of any other group coverage for which the individual becomes covered within 31 days of termination of group coverage; or
2. \$10,000.

If conversion is due to retirement or any other qualifying event, the full amount of coverage lost may be converted.

How does an individual convert coverage?

To convert life insurance, the individual must, within 31 days of the date group coverage terminates, make written application to the Us and pay the premium required for his age and class of risk.

The individual will be given notice of the conversion privilege at least 15 days prior to the expiration of the 31-day conversion period. If such notice is not given, the individual will have an additional period in which to exercise conversion rights. This additional period will extend for 15 days after the individual is given notice; but in no event will the period extend beyond 60 days after the expiration date provided in the Policy. Written notice of conversion will be presented to the individual or mailed by the Employer or Us to the last known address.

The term "spouse" means an individual who is either:

- a) in a marriage with the employee which is recognized by the law in the state of residence; or
- b) in a registered domestic partnership with the employee in accordance with California law.

NEW YORK

LIFE

The following provisions are applicable to residents of New York and are included to bring your Booklet-certificate into conformity with New York state law.

1. Conversion Privilege

The Conversion Privilege appearing in the Booklet-certificate is replaced with the following.

CONVERSION PRIVILEGE

When can an individual convert?

If insurance, or any portion thereof, terminates, then any individual covered under the Policy may convert His life insurance to a conversion policy without providing Evidence of Good Health.

What is the conversion policy?

The conversion policy will:

1. be on one of the life insurance policy forms then customarily issued by Us for conversion purposes;
2. contain no disability, supplementary or AD&D benefits; and
3. be effective on the 32nd day after group life insurance terminates.

At the individual's option, the personal life policy may be preceded by a single-premium one year term insurance policy, subject to the same conditions. If Your insurance terminates due to Your total and permanent disability, You may elect any one of the life insurance policy forms then customarily issued by the Insurer, subject to the same conditions, at the end of the one year period.

The term "Insurer" means Us or any other insurance company which has agreed with Us to issue conversion policies according to this conversion privilege.

How much can be converted?

The amount which may be converted is limited to the amount of group coverage in force prior to the qualifying event, reduced by the amount of any other group coverage for which You become covered within 31 days of termination of group coverage. If conversion is due to retirement or any other qualifying event, the full amount of coverage lost may be converted.

How does an individual convert coverage?

To convert life insurance, the individual must, within 31 days of the date group coverage terminates, make written application to Us and pay the premium required for His age and class of risk.

If an individual is not given notice of the existence of the conversion privilege within 15 days of the terminating event which results in the conversion option, He will have an additional period in which to exercise conversion rights. This additional period will end 45 days following the date He is given notice of the right to convert or 90 days following the date on which the terminating event which results in the conversion option occurs, whichever occurs first. Written notice of conversion rights will be presented to the individual or mailed by the Employer or Us to the last known address.

What if death occurs during the conversion election period?

If the individual should die within the 31 day conversion election period, We will, upon receipt of acceptable proof of His death, pay the Amount of Life Insurance He was entitled to convert.

2. Accelerated Death Benefit

This benefit is not available for Dependents.

What is the benefit?

If You are diagnosed as being Terminally Ill and proof of such diagnosis is provided by an attending physician licensed to practice in the United States, and You are:

1. less than Normal Retirement Age; and
2. insured for at least \$10,000;

then You may request that a portion of Your Amount of Life Insurance be paid to You prior to death.

The request cannot exceed 80% of the in force Amount of Life Insurance, and is subject to a minimum of the lesser of 25% of the in force Amount of Life Insurance or \$50,000, and a maximum of \$500,000. You may exercise this option only once per person.

For example, if You have an Amount of Life Insurance equal to \$20,000 and You are Terminally Ill, You can request any portion of the life insurance between \$5,000 to \$16,000 to be paid to You now instead of to Your beneficiary at Your death. However, if You decide to request only \$5,000 now, You cannot request the additional \$11,000 in the future.

What does Terminal Illness/Terminally Ill mean?

Terminally Ill or Terminal Illness means that an individual has a life expectancy of 12 months or less.

RECEIPT OF ANY BENEFITS IN ACCORDANCE WITH THIS PROVISION WILL REDUCE LIFE INSURANCE BENEFITS PAYABLE UPON DEATH.**What if an individual is no longer Terminally Ill?**

If diagnosed as no longer Terminally Ill, coverage may or may not remain in force. Coverage which remains in force will be reduced by any amount of Accelerated Death Benefits received and premium is due for this reduced amount. If coverage does not remain in force, then the reduced amount of coverage may be converted. Any amount paid as an Accelerated Death Benefit is not available for conversion. Please see the Conversion Privilege section.

What limitations apply to this benefit?

The Accelerated Death Benefit provision will be subject to all applicable terms and conditions of this Policy.

No Accelerated Death Benefit will be paid if You are required by law to accelerate benefits to meet the claims of creditors, or if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement.

What if You made an assignment under this Policy?

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to pay benefits to You under this provision, We must receive a release from the individual to whom the assignment was made before any benefits are payable.

3. Suicide

The suicide provision is amended to read as follows.

What benefit is payable if death results from suicide?

No Supplemental Life benefit will be payable if death results from suicide within 2 years of the effective date of coverage. Additionally, if death resulting from suicide, occurs within 2 years of the effective date of an increase in coverage, the death benefit payable is limited to the amount of coverage in force prior to the increase. The 2 year period includes the time coverage was in force under a Prior Plan.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CLAIM PROCEDURES

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy.

Claim Procedures for Claims Requiring a Determination of Disability

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Plan, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary, 4) a description of the review procedures and time limits applicable to such procedures, 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal, and 6) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the denial, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the denial and that a copy will be provided free of charge to you upon request, or (B) if denial is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the determination, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to the request.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, we will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a statement that you have the right to bring a civil action under section 502(a) of ERISA, 4) a statement that you may request, free of charge, copies of all documents, records, and other information relevant to your claim; 5) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the decision on appeal, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the decision on appeal and that a copy will be provided free of charge to you upon request, or (B) if the decision on appeal is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the decision on appeal, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request, and 6) any other notice(s), statement(s) or information required by applicable law.

Claim Procedures for Claims Not Requiring a Determination of Disability

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 90 days after receipt of your properly filed claim. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 180 days after your claim was received. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

However, any adverse benefit determination will be in writing and include: 1) specific reasons for the decision; 2) specific references to Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such, and 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 60 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 60 days after it receives your timely appeal. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Policy provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
